**USDAA Agility Trials Dec 1-3, 2017**  
**Countryside Agility Training Center**  
**2321 West 38<sup>th</sup> Street, Erie, PA 16506**

Thank you for entering Countryside Agility's Dec USDAA trial. The trial will be held at the Countryside Agility training center at 2321 West 38<sup>th</sup> Street in Erie, PA. If you have not been here before, look for the Countryside Agility signs on the doors. **PLEASE DO NOT enter under the big AGILITY signs- that is for Agility Marketing to the right of Countryside.** They are our neighbors and we don't want to disturb them. Crating is right inside the doors (on rubber matting). There is plenty of space for everyone. The crating area is air-conditioned and heated (just like the turf area) so the dogs will be comfortable. You may leave your crates overnight but Countryside Agility will not be responsible for any lost or damaged items left at the show site.

The potty area is behind the building [exit through the glass door near the ring] or to the east and west side of the plaza. DO NOT allow your dog to potty anywhere on the building or planters or next to the building. Dispose of all pet waste OUTSIDE in the containers provided (but please do not put dog waste in the recycle dumpster).

Please keep all food and beverage OFF of the turf. Seating area is on the black matting next to the ring – not on the turf [neither dogs nor food can be in the first row]. Bring your own chair.

Please check your confirmation letter carefully to see if there are any errors. I want to make sure the information is correct as entered in our database for this and future trials.

ALL dogs not having a permanent card will need to be measured if you have not mailed a copy of the permanent card in advance. You can e-mail me a copy of your permanent card and save the check-in hassle. You can take a picture of the card with your phone and email it.

**Measuring Fri will be 9:00-9:45am**

**Measuring Sat & Sun will be 8:15-8:45am.**

**\*\*\*Walkthroughs:** Fri begin at 9:45 with first dog on the line at 10am. **Sat and Sun begins at 8:45, first dog on the line at 9am.**

You may arrive any time prior to your class if not needing measurements.

**There IS A CMJ at this trial.**

If you signed up to work, there will be a schedule at the site that you can sign up for whatever you can work. Thank you to all the volunteers – we couldn't have done it without you. Thanks in advance to those that volunteer. We are a small club and cannot put on trials without assistance. There will be worker tickets for the raffle and worker tickets to use toward lunch or future entries to a Countryside Agility trial

**There will be food available for purchase on Fri and Sat, provided by Linda. As always, workers will be provided with lunch tickets. Sun we will be done early, so no lunch will be provided, but there is a Subway at the end of the plaza.**

**Overnight parking will be NOT be allowed at the trial site. Motorhomes may come for the day but must go to a motor home park for the night.**
