## **VOLUNTEER WORKERS**

The worker schedule for the trial is being sent to you separately. Suzanne Schroeder (volunteer coordinator) says: Thank you for working if you volunteered, and even bigger thanks if you didn't volunteer but we scheduled you anyway. Please review the schedule carefully and contact me at [schroes.suz@att.net](mailto:schroes.suz@att.net) if you have concerns no later than the Sunday before trial. You will note that there are some open spaces. This will give you the opportunity to sign up when you get there and please do so! Thanks for your assistance and good luck to everyone.

# IMPORTANT

**Don't forget to check in with the gate steward before you walk your course or even earlier if you think about it. If you don't check in and they pass your number, you could be marked absent.**

## Cleveland All-Breed Training Center Rules

Don't park in front of loading doors/docks in any of the buildings in the entire complex in the parking lot or you will be towed.

There will be a designated unloading area. This area is on the west side of the building (not by the front doors). Please take no more than 5 minutes to unload and then move your car so others can unload.

There is no room for RV parking.

**Dogs are NOT allowed to relieve themselves on any building or on the grass/snow across the parking lot. The tree by the corner of CABTC building is not a fire hydrant! There is a graveled potty area behind the building. This potty area will be strictly enforced!**

Anyone not cleaning up after their dogs ANYWHERE may be asked to leave by the show committee. No excuses.

NO bitches in season permitted.

There will be designated crating areas in Suite A. Please use a tarp/covering under your crates/Expens. Please do not crate in any other areas. We must at all times maintain aisles that open to the exit doors. We definitely don't want to make the Fire Marshall unhappy.

No flash photography or light for video cameras permitted.

There is limited viewing in the room where the dogs run. So all runs will be live-streamed and shown on a large screen in the crating room.

REMEMBER ...In order to keep this beautiful site and to keep our neighbors happy, we must keep the site CLEAN at all times, this means both INSIDE and OUTSIDE of the building.
