Policy on Refusal of Entry

The Organizing Committee of an event may refuse the entry of any competitor or dog for just cause should the Committee view that participation by the competitor or dog could be prejudicial to the sport. However, in such case, the Committee must notify the competitor in writing upon receipt of entry, but in no case, more than three days following the event closing date for acceptance of entries. The burden of responsibility for the appropriateness of such action rests solely with the host group and its Organizing Committee.

NSF Check/Credit Card

Any check or credit card that is charged back by the bank or other financial institution may be assessed a service charge of up to \$40 per incident at the discretion of the host group.

Returned checks or credit card returns do not constitute a valid entry. Amounts shall be paid within 30 day of postmarked notice of the returned payment if such date follows the event date. Any fees not received within 30 days of notice will result in cancellation of event results for all classes related to the entry for which payment was made. No reinstatement of results is possible, and all awards must be returned within 10 days of notification or the dog's registration may be suspended pending restitution.

Any unpaid fees or shortfalls must be paid prior to the start of the event, or entry is canceled without recourse.

Refund Policy

There shall be NO REFUNDS for entries withdrawn after the closing date for acceptance of entries, for absentee, dismissal from the event as a result of disciplinary action, dismissal from a class, or for any other reason. Also, no entry fees will be refunded if the event cannot open or be completed by reason of riots, civil disturbances, acts of terrorism, fire, "act of God", public emergency, strike, or any other cause beyond the control of the host organization.

Overpayment

There will be no refunds for overpayments of \$10.00 or less

Submission of Entries with Secondary Move-Up Date

All entries or cancellations must be received at the Secretary's address no later than the closing date, after which time no entries will be accepted or cancelled. For entries received by the closing date, the level of entry into a given class may be advanced by notifying the Secretary in writing via email by the "Secondary Closing Date". No other changes, cancellations or additions may be made after the initial closing date.

To be accepted, entries must be complete, signed (by parent or legal guardian if handler is a minor), received by the closing date and accompanied by the correct fees and include a valid USDAA registration number on a completed registration form.

Next-Day Move-Ups Allowed At This Event

Competitors earning a qualification during the Event that is needed to complete a title may advance their level THE NEXT DAY at the same event, i.e. move-ups on consecutive days ARE allowed.

Competitors are responsible for keeping accurate records of their qualifying scores and the judges from whom these scores were earned prior to this event to ensure that the dog is eligible to move up based upon scores earned at this Event. Competitors are advised to confirm scores earned with the scorekeeper and judge at the conclusion of a class to ensure the qualifying score has been accurately calculated and awarded in accordance with regulations. If for any reason it is determined that the score or previous scores were inaccurate, making the entry ineligible for the higher level class, any results (including awards) shall be forfeited and the entry will be deemed invalid without refund or other recourse.

Move-up forms supplied by this event must be used to notify the secretary BEFORE she leaves the site the day on which you earn your title.

Express & Overnight Entries

Entries sent by Fedex, Express Mail or other courier service will only be accepted if the waiver allowing delivery **without signature** is signed. The club will not be responsible for deliveries delayed if a signature is required.

Check-in & Measuring

Dog Measurements & Certification

All dogs not jumping 24" in the Championship Program or 20" in the Performance Program at local and regional events must be measured unless they have permanent USDAA or World Cynosport Dog Registration status or a temporary card with 3 signatures as required by the regulations, making the dog eligible for their jump height (prior to 3 years of age). Please note that only dogs 18 months of age and entered in the event may be officially measured.

Check-in / Briefing / Judging Times

FRIDAY,

Check in and measuring will be from 9:15-9:45am First dog on the line at 10am

SATURDAY & SUNDAY

Check in & measuring will be from 7:15 to 7:45am

Walkthroughs will begin at 7:45 am

First dog on the line after completion of walkthroughs

Be sure to check your final confirmations for any changes.

Dogs that need to be measured **MUST** be measured before checking in. If you send a copy of your dogs permanent card, there will be an abbreviated self check-in available. There is not a CMJ at this event.

Self Check-In

If you send a copy of your PERMANENT jump height card or the page from the USDAA website showing permanent status, you will be able to do an abbreviated self check in, there will be no need for measuring. You can also text or email a copy of your permanent card or page from the USDAA website.

A Dog that Measures Up at Check-In - May Run FEO

If a judge's measurement of a dog at check-in establishes that the dog is ineligible for the height class in which entered, the competitor may

- Run the dog at the higher height in the same program based upon the measurement,
- Modify the entry to enroll the dog in the proper height class in the Performance Program,
- Modify the entry to enroll the dog in the proper height class in the Veterans Program if the dog is 8 years old
- Run For Exhibition Only (FEO) at the next lowest jump height, but only in the program entered.

Because entry into a higher height is permitted in the Performance and Championship Programs, a dog measuring lower may not be moved to a lower height in either program.

General Entry Conditions

Prohibitions on Aids & Devices

No leads, collars, food, toys or other aids or devices shall be permitted on the course at any time, except as provided for in Chapter 10 when Intro Program classes are offered, or in Chapter 8 when Junior Handler Program classes are offered.

Statement of Responsibility

Competitors alone are responsible for the behavior of themselves, their dogs, children, and guests. A competitor whose dogs, children or guests create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Organizing Committee, be asked to leave the test site.

Policy on Fault Limits

In the event of a larger entry, fault limits may be set at the discretion of the Organizing Committee and/or Judge without pre-event notice.

Spam Blocker

Confirmations will be sent via email using the secretary's address. If you have a spam blocker on your email account, please configure it to allow email from the secretary's address since confirmations will be sent from this account.

Penn-Ohio Refund Policy

A withdrawal after the closing date due to injury of the dog/handler, illness OF THE DOG or for bitches that come into season after the closing date will be eligible for a refund minus USDAA fees plus a service fee of \$5 if supported by a written notice from a veterinarian/doctor. In such instances the secretary MUST be notified and receive supporting documentation by the end of the trial. Any other withdrawals after the closing date will not be eligible for refund.

Fix & Continue Will Be Allowed At This Event

The [USDAA Policy Statement on Training in the Ring or "Fix & Continue"](#) has been adopted for this event and is hereby incorporated in its entirety by reference. Competitors are expected to familiarize themselves with this policy, which can be found on the USDAA web site at <http://usdaa.com/binary/files/20180828FixandContinuePolicy.pdf>

Fix & Continue during a competition run generally provides for repeat of an obstacle at handler's discretion under conditions set forth in the Policy Statement. When discretion is exercised to utilize the Fix & Continue, their score will be recorded as an elimination and the maximum course time set to 60 seconds. This practice may be utilized only once in any Standard, Jumpers, or Relay class (including similarly-styled tournament classes at qualifying events). The competitor must continue working the course in flow, while "fixing" and "continuing" on the course. See the Policy Statement referenced above for complete details.

Class Descriptions

Misc Class

The Misc. Class will be run as a modified Gamblers class with a table. Handlers can choose to run it as a standard course of their choice (no numbers will be put out) or as a gamblers class with no gamble. It is a great class to practice start line stays, contacts, table, etc. Toys may be used, but no food, since the trial will proceed after the class. Since this is a one ring trial, a toy that squeeks or makes other noises may be used. Each handler will have 60 seconds to practice whatever they deem necessary. There will be 2 horns. One at 45 seconds to make the handler aware their time is coming to an end and a horn at 60 seconds. At the second horn the handler MUST leave the course.

Any action by a handler that may be construed as harsh or abusive shall be strictly prohibited, and any such incident will result in immediate dismissal from the ring. This may also result in Disciplinary Action pursuant to Appendix C of the USDAA Official Rules and Regulations.

Titling Class Rules & Descriptions

One or more titling classes shall be held at this Event from those described in Chapters 3 - 8 of USDAA Official Rules & Regulations, which are downloadable from www.usdaa.com/rulesReg_eBook.cfm, and any amendments there to, which are downloadable from www.usdaa.com/rulesReg.cfm, each of which are hereby incorporated by reference.

Tournament Class Rules & Descriptions

One or more tournament classes are being held at this event, the rules and description of which may be downloaded on the Internet at www.usdaa.com/gen_formDoc.cfm, and are hereby incorporated by reference. A written copy may be obtained from the Event secretary.

Mixed-Height Pairs Entry Allowed

Dogs entered as partners in pairs relay at this event may be combined without regard to jump height, i.e. a mini dog may be entered as a partner with an open dog. Any pair consisting of at least one open dog must qualify in accordance with the QCT set forth by the judge of record for Open Pairs AND will be considered an open pair for placement purposes.

Veterans Program Classes

Veterans level classes offered at this event are open to a competitor with any dog that is at least eight (8) years of age as of the first day of this event. Previous experience in the sport sufficient to establish proficiency and confidence in performance is strongly encouraged. A dog entered in a Veterans class on a day may not be entered in that class in the Championship or Performance Programs. Complete program rules can be found at www.usdaa.com/rulesReg_eBook.cfm including amendments which are downloadable from www.usdaa.com/rulesReg.cfm

Team & Versatility Pairs Measure-up Policy

The handler of a dog entered in Team or Versatility Pairs must notify the secretary immediately should their dog be required to jump a higher height by virtue of the judge's measurement. The dog must jump the higher jump height in order to be eligible to earn a qualifying score in the tournament. If entered in Team, the dog that measured up may be moved to Versatility Pairs. If the handler chooses **not** to have their dog jump the higher height or move to PVP, their entry is effectively withdrawn. The competitor may or may not run for exhibition only (earning no individual class qualifications or tournament qualification for the team) solely at the discretion of the event secretary; there shall be no refund of fees paid.

If the change in height makes the dog ineligible for their team (three jump heights), the secretary will make every effort to form complete teams from dogs available. A move-up in height for dogs in Versatility Pairs does not affect their team composition, but may result in a change in their position in the running order because of the height composition of the Pair.

Masters Challenge Biathlon - Concurrent Titling Scores

The Masters Challenge (MC) & Performance Masters Challenge (PMC) Biathlon tournaments each consists of two classes; Standard and Jumpers. In addition to the combined score of these two classes being scored for tournament qualification purposes, each class will be scored independently in order to determine if title qualification has been earned for the MC and PMC standard and jumpers classes.

See complete biathlon tournament rules and title qualification rules at http://usdaa.com/rulesReg_eBook.cfm.

Mulligan Runs

Based upon the number of runs per day at this trial Mulligan Runs may be available for one or more classes each day. The Show Committee shall determine in which class(es) a Mulligan Run will be allowed. Availability and cost for each run shall be announced in final confirmations. Only competitors entered in the class are eligible for a Mulligan Run per USDAA policy which is hereby incorporated by reference.

A competitor must sign up and pay for their Mulligan Run immediately following their titling run (if they didn't sign up/pay for a Mulligan Run prior) and prior to the completion of the class. A Mulligan Run sign-up sheet will be made available. When Mulligans are running concurrently with another ring at an event, only silent toys are allowed and may not be tossed. Food, treats, training aids are not allowed.
